# Research overview: the comment landscape

Must show: choose one primary comment first, then add supporting comments only if the narration has room. Text is lightly normalized for readability; usernames and profile details are intentionally omitted.

| | |
|---|---|
| 1 | "i love seeing people enjoy mu cultrure's food" |
| 2 | "We promise we did not invent Ube. Just making sure she gets the spotlight she deserves!" |
| 3 | "Before this trendy wave, I already loved Ube" |
| 4 | "I would love to try Ube from a Filipino place!" |
| 5 | "There goes my culture" |

Editor note: crop or blur usernames and profile photos. Keep this comment bank nearby while assembling the layered 9:16 sequence.
