Sentiment: mixed, not simply celebratory

Must show: choose one primary comment first, then add supporting comments only if the narration has room. Text is lightly normalized for readability; usernames and profile details are intentionally omitted.

1	"i love seeing people enjoy mu cultrure's food"
2	"The Government should invest more in our agriculture"
3	"It was just nice to look at but the sugar level was through the roof."
4	"I hope the Philippines will be able to protect our Ube."
5	"All good honestly. No harm done. Let us do a quick Google search in future times."

Editor note: crop or blur usernames and profile photos. Keep this comment bank nearby while assembling the layered 9:16 sequence.
